**Summary of reasons for decision:**

The video file depicts a humorous situation involving explicitly depicted sexual activity. The unrestricted availability of the publication is likely to be injurious to the public good. There is a common social consensus across many countries that explicit sexual material should be limited to adults because of the potential for harm to developing sexual attitudes and behaviours of young people from premature exposure to such material. The publication is therefore restricted to adults.

This classification interferes with the right to freedom of expression as provided in the New Zealand Bill of Rights Act 1990, but is reasonable and justified to prevent injury to the public good.
